

INDEX TO NAMES IN BRIGG MSS (MS442/3; 486 & 513)

Most of the papers contained in the Brigg MSS relate to the Brigg family, and its various offshoots. In addition, there are copies of numerous pedigrees which were produced for clients. Probably many of the rough notes in the collection are incorporated in the fair copies of these family histories.

Boxes 8 and 9 in MS 442/3 contain details of Wills for hundreds of names (arranged in alphabetical order)

Information relating to the following families is contained in MS442/3 (reference relates to box number and bundle number): MS⁴⁴³₅₁₃ (MS number); and MS₄₈₆ (MS number and bundle number).
